THE HEART & SOUL OF THAILAND

Soul Food serves up a fragrant selection of southern, home-cooked Thai cuisine in a warm and elegant setting adorned with intricate architectural detail and elevated by undisturbed, panoramic ocean views of the Andaman Sea.

The menu fuses home-cooked comfort food with Thai specialities like soups ('Tom'), stir fry's ('Phad'), fried dishes ('Thod'), curries ('Gaeng') and dips ('Nam Prik') - all of which range from being mildly flavored to showcasing the fiery regional flavors of the south. The Chef recommends moving beyond the ubiquities of Thai food and exploring a breadth of classic local dishes that are in equal parts spicy, thrilling and complex like Moo Hong, Ghoong Phad Kapi Sa-tor (Seasonal), Kua Kling Moo, Gai Phad Na-rok, Gaeng Poo and Naam Prik Ghoong Sod.

Soul Food uses only wholesome fresh ingredients with a greenmarket approach, many of which are sourced straight from organic farms in Northern Thailand, which are part of H.M. The King's Royal Project.

Believing that nothing brings people together like food, our dishes are meant to be enjoyed the Thai way: sharing and sampling with friends and family. Whether you come as a big group or as a couple, **Soul Food** is a tantalizing culinary adventure through South Thailand's most unique and flavorful culture.

So sit back, relax and enjoy the tongue-blasting tastes of Thailand at **Soul Food!**
