

Baba

INTERNATIONAL CO., LTD

At Baba Q, we are bringing a taste of authentic International dishes to your plate by combining a selection of the freshest and finest ingredients, the beauty of seasoning, the art of presentation and hospitality in an approachable welcoming environment. Not to mention, the panoramic view of the Andaman sea accompanying your dining experiences.

In the early 1800's when travelers started to step ashore to the area called **"The peninsula"**, what is current day southern Thailand, the majority of them were Indians, Hokkien Chinese & Portuguese.

Now living in a foreign land they began to work very closely with the earlier settlers. This was to be due to the fact that all the settlers, old & new, shared a common goal of creating a better life in a new land.

Over time, relationships within the settlements were imminent. **"Baba"** was the name given to make offspring & **"Nyonya"** to the female. These children were the result of different people, culture, ideas, philosophies & tastes coming together & creating something truly unique.

We've stayed true to this union created & Baba Poolclub is the culmination of it all.

Sit back, rock away & enjoy the tastes you will never forget...

"Sri panwa's signature restaurant is an airy dining room of warm woods and Portuguese tiles set high above the sea. The menu blends local curry & noodle dishes with ham & truffe pizza & adventurous additions such as passion sake tiger prawn."
